RE: Sotera Health, LLC Acquires Gibraltar Laboratories to Enhance Nelson Labs Services

To Whom It May Concern,

This letter is to inform customers and vendors of the following changes to our organization.

SOTERA HEALTH ACQUIRED GIBRALTAR LABORATORIES – NO OTHER CHANGES TO THE ORGANIZATION HAVE BEEN MADE

Sotera Health LLC, the parent company of Nelson Laboratories and the only fully integrated provider of mission-critical health sciences, laboratory services, and sterilization solutions for the healthcare industry; and a portfolio company of Warburg Pincus and GTCR, announced that it has acquired Gibraltar Labs, a Fairfield New Jersey-based outsourced provider of microbiology and analytical chemistry testing for pharmaceutical and medical device manufacturers.

For a copy of the full press release, please visit www.nelsonlabs.com/Gibraltar-Press-Release.

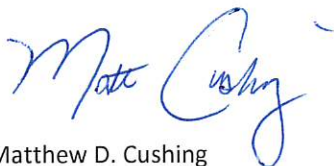

No immediate changes to the system, processes or tests at Nelson Labs are created by this announcement. Accreditations and certifications for the laboratory remain unchanged.
