RE: Sterigenics International Acquires Toxikon Europe to Enhance Nelson Labs Services

To Whom It May Concern,

This letter is to inform customers and vendors of the following changes to our organization.

STERIGENICS INTERNATIONAL ACQUIRED TOXIKON EUROPE, THE EUROPEAN DIVISION OF TOXIKON CORPORATION – NO OTHER CHANGES TO THE ORGANIZATION HAVE BEEN MADE

Sterigenics International LLC, the parent company of Nelson Laboratories and the only fully integrated provider of mission-critical health sciences, laboratory services, and sterilization solutions for the healthcare industry; and a portfolio company of Warburg Pincus and GTCR, announced that it has acquired Toxikon Europe N.V., the European division of Toxikon Corporation, a Bedford, Mass.-based preclinical contract research organization.

For a copy of the full press release please visit: https://secure.nelsonlabs.com/asset/s/Toxikon_European_Lab_103117.pdf

No immediate changes to the system, processes or tests at Nelson Labs are created by this announcement. Accreditations and certifications for the laboratory remain unchanged.
