Where we are today

Nelson Labs®

A Sotera Health company

Company Vision & Values

At Sotera Health, our vision is to be the leading provider of mission-critical solutions to improve global health.

In fulfilling our vision, all of our actions are driven by our Company Values each and every day.

Our Company Values

SAFETY

We are uncompromising in our commitment to health and well-being.

CUSTOMER FOCUS

We are driven to fulfill our customers' needs with the highest quality and care.

PEOPLE

We value our people who are part of a global team that is diverse, respectful, passionate and collaborative.

INTEGRITY

We are honest, reliable and accountable in everything we do.

EXCELLENCE

We exceed the expectations of our stakeholders and continue to improve and innovate in everything we do.

Relevance of our Symposium

- **The Medical Device Market**

- Large
- Very Diverse
- Growing rapidly

- **A lot of Innovation and Product Development in the Medical Device Space**

- New materials
- Improved Functionality
- Leading to improvements in treatments of Patients

- **E/L is multi-disciplinary**

- Analytical Chemistry Toxicology
- Structural Elucidation is becoming a requirement
- Material Science knowledge
- Manufacturing Processes

- **Regulatory Expectations**

- Recent Changes in Standards and Guidelines for Medical Device E/L (e.g.: ISO 10993-18:2020)
- Increased scrutiny on the E/L Study Designs and outcomes

=> Nelson Labs considers knowledge sharing & training a vital part of our mission!

Enjoy the Symposium !!!

THANK YOU
