

Open House Days 2025, Leuven

| Moderator: Dr. Emile Jubeli (CMR Surgical) Location: Brabantthal, Brabantlaan 1 – 3001 Leuven | | |
|--|---|---|
| Time | Topic | Speaker |
| 9.00 | Registration | |
| 9.30 | Welcome | Joe Shrawder Nelson Labs |
| May 14 – Morning sessions | | |
| 9.45 | Material selection in the design of a reusable device | Lina Burman, PhD Veranex |
| 10.15 | Selecting worst-case devices for testing: how to approach a family grouping exercise for cleaning/disinfection or steam sterilization | Katleen Peymen, PhD Nelson Labs |
| 11.00 | BREAK | |
| 11.30 | How to design your IFU and validations to fit both EU and US market needs | Katleen Peymen, PhD Alpa Patel, MS, RM(NRCM) Nelson Labs |
| 12.00 | Simulated Use Validation Studies: How to design an appropriate cycle? | Matthias Schöttler, Ing. Olympus |
| 12.30 | Lunch | |
| May 14 - Afternoon sessions | | |
| 13.30 | Reprocessing of Complex Reusable Devices From Design to Patient Body Worldwide | Emile Jubeli ,PhD CMR surgical |
| 14.15 | BREAK | |
| 14.45 | Non-Critical but Challenging: Navigating Reprocessing of Non-Critical Devices | Johanna Stahlén, M.Sc. MissionTech |
| 15.15 | Q& A session | |
| 15.45 | Clarification of the Lab Tour including testing capabilities | Lise Vanderkelen, PhD Nelson Labs |
| 16.00 | Transfer to Nelson Labs facilities for a LAB TOUR – followed by RECEPTION | |
| 19.00 | End Day 1 | |

Open House Days 2025, Leuven

| Moderator: Dr. Emile Jubeli (CMR Surgical) Location: Brabantthal, Brabantlaan 1 – 3001 Leuven | | |
|--|--|--|
| Time | Topic | Speaker |
| May 15 - Morning sessions | | |
| 8.30 | Registration | |
| 9.00 | How to approach a sample size justification for cleaning validation testing according to AAMI ST98 | Katleen Peymen, PhD Nelson Labs |
| 9.30 | How and when to address human factor testing | Alpa Patel, MS, RM(NRCM) Nelson Labs |
| 10.00 | BREAK | |
| 10.30 | UV-C Disinfection – A Sustainable & Validated Option | Evert Alink UV Smart |
| 11.00 | When should you be concerned about biofilm formation and how to approach testing? | Alpa Patel, MS, RM(NRCM) Nelson Labs |
| 11.30 | Reprocessing from a regulatory perspective: when is worst case too worst case? | Bianca Lutters QServe |
| 12.00 | Lunch | |
| May 15 - Afternoon sessions | | |
| 13.00 | Medical Device IFU's the CSSD view | Wouter Meert UZ Gasthuisberg |
| 13.30 | Possible approaches for end-of-life cycle testing: which concerns need to be addressed for reprocessing versus biosafety | Elisabet Jamez, Ing. Nelson Labs |
| 14.00 | BREAK | |
| 14.30 | Panel Discussion – Final Q&A Session | |
| 15.00 | Final Thoughts & Comments | |
| 15.30 | CLOSE | |
